

# ER-Power Buddy 24V / 120AH

|                                  |                                |
|----------------------------------|--------------------------------|
| Product Code                     | ER-Power Buddy 24V / 120AH-LFP |
| Normal Voltage                   | DC24V                          |
| Nominal Voltage                  | 25.6V                          |
| Capacity                         | 120AH                          |
| Full Charge Voltage              | 29.2V                          |
| Size (HxWxD in mm)               | 521x238x250                    |
| Peak Discharge Current           | 250AMP/10sec                   |
| Max Charge Current               | 80AMP                          |
| Standard charge                  | 15AMP                          |
| Max Continuous Discharge Current | 120AMP                         |
| Usable WATTS                     | 3072WH                         |
| Battery Type                     | LiFePO4                        |
| App + Bluetooth                  | No                             |
| Casing Protection                | IP65                           |
| Parallel                         | 2 pieces                       |
| In Series                        | No                             |
| Weight                           | 32Kg                           |
| DOD                              | 100%                           |
| Cycles                           | 2000 (DOD 100%)                |
