

# ER-Power Buddy 12V / 100AH-LFP-S2

|                                    |                                 |
|------------------------------------|---------------------------------|
| Product Code                       | ER- Power Buddy 12V/100AH-LFP-2 |
| EAN Code                           | 8719033873421                   |
| Normal Voltage(DC)                 | DC12V                           |
| Nominal Voltage                    | 12.8V                           |
| Capacity                           | 100AH                           |
| Full Charge Voltage                | 14.6V                           |
| Size (LxWxH in mm) without package | 330*173*230mm                   |
| Size (LxWxH in mm) with UN Package | 530*320*350                     |
| Max Charge Current                 | 60AMP                           |
| Standard charge                    | 10AMP (IP65)                    |
| Max Continuous Discharge Current   | 120AMP                          |
| Usable WATTS                       | 1280WH                          |
| Battery Type                       | LiFePO4                         |
| App + Bluetooth                    | Yes                             |
| Casing Protection                  | IP65                            |
| Parallel                           | 2 pieces                        |
| In Series                          | 2 pieces                        |
| Weight without package             | 10,5kg                          |
| Weight with package                | 12kg                            |
| DOD                                | 100%                            |
| Cycles                             | 2000(DOD100%)                   |
| USB Plug                           | Yes                             |
